Notice of Road Closure and Construction
Dundas Street, Napanee

Dear Resident, Business/Property Owner,

Gordon Barr Ltd has been contracted by the County of Lennox & Addington and the Town of Greater Napanee to reconstruct Dundas Street East from Centre St to Adelphi St in Napanee.

Commencing Monday, April 16th Dundas St East from Centre St to John St will be CLOSED TO VEHICULAR TRAFFIC. This road closure is required to allow the excavation works for the replacement of the underground water mains, sanitary and storm sewers. Sidewalks will remain open for pedestrian access. Access will also be available for Emergency Service Providers. Please see attached map showing the road closure and detour route.

Please note that the traffic signals at the intersection of Dundas St at Centre St will be turned off and the intersection will be operating as a temporary **ALL-WAY STOP.**

Ongoing notices will be circulated when the road closure and traffic detours change as the work progresses to the east.

We appreciate your patience during this construction.

Should you have any questions or require any further information please contact one of the following or speak with any senior staff on site wearing a white hard hat.
