Lennox & Addington LIBRARIES

Educator Services Guide

VIRTUAL CLASS VISITS

Connect with the library to bring innovative programs straight to your classroom!

From story time to coding workshops, S.T.E.M. challenges to research assistance each program is tailored to meet your classroom's learning goals and unique needs.

We ask that all visits be scheduled at least 2 weeks in advance.

Our programs and services are free of charge for all L&A County Educators including Home Schoolers!

... AND MORE!

BOOK BUNDLES

Looking for a selection of books to support learning in your classroom? Take advantage of our book bundle program! Each bundle contains 12 books and are curated to suit your learning goals. Please allow one week for your request to be fulfilled. Maximum two bundles per loan period.

TECH TALKS

Coding in the Math curriculum got you frazzled? G-Suite not so sweet? Book a tech talk! We'll walk you through the basics and beyond.

STUDENT CARDS

Every student attending an L&A County school is eligible for an L&A County Library card regardless of their address! Students can use their library cards to access our physical collections well as our digital content such as eBooks and audio books!
